

SPECIFICATION SHEET

This cherry crystal chandelier has a stainless-steel canopy in a regular chrome color, which can also be customized in gold or black. The length of the hanging wire and the number of crystal pendants can be customized according to the height of the floor. It is suitable for placement in the living room, dining room, and staircase. In addition, it can adjust the brightness to meet your different needs. The transparent crystals refract light, adding a touch of elegance and charm to any space. It is not only a functional lighting fixture but also a decorative centerpiece. With its durable construction and aesthetic appeal, it is a lasting investment in your home decor.
